## 1) Exec Reports

**1.1- Ed and Welfare-** Been protesting about the Discontinuing department of education with leaflets and flyers in Alex Square.

**1.2- Sports-** Rounders. We came second! Well done to all whoe played. Narrowly lost out in the final with Fylde. Looked into doing the county/cartmel cup as this has not been done in a few years (since moving down onto south west). Rounders sign up sheets in blocks-name and email. Teams of about 10.

**1.3- Webmaster-** Re-jigged the website. Social gallery, try not to have ALL JCR members- vary it. Now has a job at LUSU doing the websites for clubs and societies- well done.

**1.4- Social-** Wrote the quiz, Joint JCR social meeting this Tuesday 5:30pm in LUSU. Please can Sam Fitton and Little Emma attend as it is regarding freshers week and non-alcoholic socials/festival. There is an issue with TV's for bar games night.

**1.5- Publicity-** Done no posters this week as there have been no socials but need help this week sticking up the rest of the extrav teaser posters.

**1.6- Magazine-** Nothing. Magazine aims to be out end of week 9. Apologise for the lack of email last week, having issues with the university network.

**1.7- VP-** Has been away on a field trip so done nothing this week. But before going organised how many freshers are going to be in each flat and been working on the kitchen reps.

**1.8- Treasurer-** Had his office hour to sort out the money everyone is owed.

**1.9- Chair-** Elections in two weeks. Nominations go up tomorrow in the JCR. Positions available are AV-tech, Publicity, Male Equal ops, Female Equal ops.
