Carter Shield, Election-sub Meeting, comedy night, Attended revs, Election block runs!

1.10 VP- Attended Union council, kitchen rep applications.

1.11 President – Extrav health and safety meeting was positive, draft budget is feasible, attended union council, attended results night. Sorted out stage for campus fest, attended Carter Shield.

2) Minutes from last meeting

No problems.

3) Matters Arising

None.

4) Term Review

Ed and welfare- Free bus petition was successful- so as a JCR feels we've done quite well.

EDE- held back on the environmental side, but otherwise it has gone well.

Lots to look forward to next term.

Sports Reps-Both successful and unsuccessful- Carter Shield turn out was good, as was Patriot's Cup, delegating jobs was hard to begin with.

Social Secs- Vodfest has been very successful, off-campus social- Syndicate went well. Financially not successful, aiming too high with Band night.

Disappointed that we've not done more new stuff this term.

AV Tech- Band night was a failure, but starting open mic nights and building them up should be more successful. Settled in well as a JCR need to keep striving to be better.

Publicity- Still learning- would like more feedback/criticism on the posters.

Immediately felt part of the team.

Mag Editor- Gone well- managed to get an advertising. JCR wise- it stands out that we're on of the better JCR's. Last magazine may have been too JCR orientated. More pictures/ needs more support finding articles. Needs to be sent out to JCR members beforehand so that everyone can have a look over.

Webmaster- Started off well with emails, admittedly website has slowed down. Need to accept we'll look like a clique, but on socials need to keep away from the opportunity to be called a clique. Profiles need to be uploaded, website needs to be kept up to date.

General Secretary- Settled in well, more confident when handling Rusty!

Needs to improve election promotions. Overall, successful and still improving.

VP- Starting laying down the groundwork for Freshers week. Ironing out problems now has been a good idea. Needs to step down as chair for freshers week meetings. Needs to be a middle ground for quieting the JCR meetings.

President- Probably one of the slowest JCR members to become competent in their role, could be more organised. Regards to the team: settled in well and quickly, that said- drive has been lacking to improve. Next term we need to step up. Possibly be more assertive on particular officer roles? More consistency needed, find a middle ground.

5) Social Calendar

Plan is: 2 off campus socials this term, week 7 and then for freshers pre-exams social.

A draft social calendar needed before the end of this term.

6) Summer Campaign

Alexfest- banners and things still available, EWD council Tuesday week 1 with the proposal. LUSU have a gunge tank, stocks with sponges etc. Get grad involved? To work on budgeting over Easter.

7) Extrav

Budget:

Light and Sound- £1000

Fairground- £700

Printing- £150

Decorations- £400

Riders- £160

Wristbands and Bands- £500

(Bands- £350)

Extra- £100

Get diggles to do a stand?

Candyfloss stand?

8) AOB

9) Block Posters

Monday- Last Revs of the term tickets 9pm £3 as UV Bubble Party!

Thursday- 8:30pm Open mic night all acts welcome. Tape playing.

End of term! Easter
